WHERE INDEPENDENCE IS REALITY FOR ADULTS WITH DISABILITIES

Gabriel Homes

Gabriel Homes, established in 1982, was founded with the radical idea that adults with intellectual and developmental disabilities (IDD) could live independently.

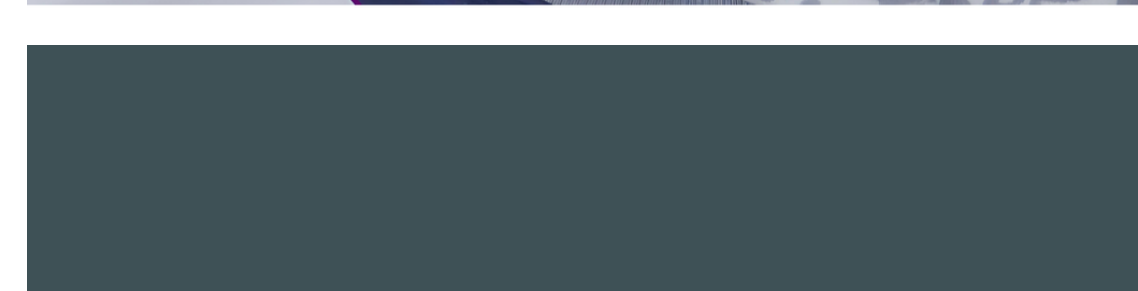

MISSION & VISION

Mission: To develop independence and self-advocacy in adults with IDD by providing a safe home environment, person-centered support, and community integration.

Vision: An inclusive community where individuals with IDD can live to their full potential.
