The Arc of Northern Virginia is the area's leading organization serving people with intellectual and developmental disabilities (IDD)—such as autism, Down syndrome, cerebral palsy, epilepsy, and rare chromosomal disorders—and their families.

**The Arc of Northern Virginia's 48th Annual Team Challenge** brings together companies and the community to raise funds to sustain programs, services, and advocacy for people with IDD. Join runners from local and national corporations and community organizations to compete for glory in a 5k run or a 2k fun walk or roll! For more than four decades, this has been Northern Virginia's premier race with teams of 5-7 runners or up to 7 walkers. This year's Team Challenge will again take place at beautiful Burke Lake Park.

***"Going the Distance for People with Disabilities"***
