Why Sponsor?

Sponsoring Sip & Support is a powerful way to make a tangible difference in the lives of individuals with intellectual and developmental disabilities in Northern Virginia. Your support helps fund critical programs, advocacy efforts, and resources that empower people to live safe, seen, and supported in their communities.

New This Year

This year, that support is taking a powerful new form. We're excited to introduce the newly updated Arc2Independence app at this year's event — an award-winning tool delivering personalized lessons for people with IDD, with over 300 pre-built lessons across key areas like transportation, daily living, safety, employment, and social skills. The app provides virtual support tailored to each user's goals, helping them navigate daily tasks, build new skills, and gain confidence toward greater independence. Join us on September 24th and be one of the first to explore the app's powerful, person-centered tools — made possible by sponsors like you.

As a sponsor, you're joining a passionate network of community partners committed to inclusion, equity, and positive change.

Together, through Sip & Support, we raise a glass to inclusion, community, and the power of support.
