

2026 Transition Series Sponsorship

Throughout October 2026, The Arc of Northern Virginia's Transition Series returns with a **brand-new** Transition Series **designed to meet families and professionals where they are**. With customized tracks based on each participant's goals – like planning for the future, finding a job, or exploring college – this series offers tailored guidance, expert-led webinars, and real-life insights. Kicking off with a required in-person session and parent panel, the series continues with weekly live (and recorded) webinars covering essential topics like Medicaid waivers, supported decision-making, vocational services, and more.

The Arc of Northern Virginia's Annual Transition Series is designed to:

- Educate and empower parents of young adults with intellectual and developmental disabilities as they transition from school-provided services to community-based services for adults
- Inform and provide resources to teachers, transition representatives, and other professionals working with students and their families as they transition from school to adult life.

Why Sponsor?

Partnering as a Transition Series Sponsor showcases your organization's dedication to empowering people with intellectual and developmental disabilities and supporting them across every stage of life.

Your sponsorship highlights your commitment to inclusion, opportunity, and community engagement—values that resonate deeply with our audience. Recognition extends beyond the live event to future viewers of the program recordings, ensuring your impact and visibility continue long after the series concludes. We are pleased to offer sponsorship opportunities for the full Transition Series, as well as the individual webinars:
